**Punjab's power share from Singrauli Super Thermal Power Project**

1525. SHRI HARVENDRA SINGH HANSPAL: Will the Minister of ENERGY be pleased to state:

(a) whether it is a fact that Punjab State is not getting its due share of power supply from the Singrauli Super Thermal Power Project of NTPC on account of overdrawals by Uttar Pradesh;

(b) if so, what are the details of the power given to Punjab State from the Singrauli Super Thermal Power Project during the last one year; and

(c) what further steps are being contemplated by Government to give due power supply to the State?

THE MINISTER OF STATE IN THE DEPARTMENT OF POWER IN THE MINISTRY OF ENERGY (SHRIMATI SUSHILA ROHATGI): (a) Punjab has not received its full share of power mainly on account of shortage in U.P. and Delhi and Punjab's ability to meet most of its requirements from its own plants and the BBMB system.

(b) Against a share of 510.2 million units, Punjab received 197.8 million units during 1986-87 from Singrauli Super Thermal Power Station.

(c) Uttar Pradesh State Electricity Board and DESU have been instructed to restrict their drawal and augment their generation so that other states in the Northern region, experiencing shortages can be supplied more power.

**Import of spreaders for NLC**

1526. SHRI DINKARRAO GOVINDRAO PATIL: Will the Minister of ENERGY be pleased to state:

(a) whether Government propose to import some more spreaders for Neyveli Lignite Corporation; and

(b) if so, what are the details thereof?

THE MINISTER OF ENERGY AND THE MINISTER OF STEEL AND MINES (SHRI VASANT SATHE): (a) and (b) For the second mine expansion project of NLC two spreaders of 20,000 Tons/Hour capacity each were ordered last year on a West German firm which has an Indian collaborator. There are no further orders.

**Polyester fibre plant in Megh Nagar, Madhya Pradesh**

1527. SHRI SURENDRA SINGH THAKUR: Will the Minister of INDUSTRY be pleased to state:

(a) whether it is a fact that the late Prime Minister Smt. Indira Gandhi had laid the foundation stone of 'Polyester Fibre Plant' in Megh Nagar, Madhya Pradesh; and

(b) if so, what further action has been taken so far to implement the project?

THE MINISTER OF STATE IN THE DEPARTMENT OF CHEMICALS AND PETRO-CHEMICALS IN THE MINISTRY OF INDUSTRY (SHRI R. K. JAICHANDRA SINGH): (a) Yes, Sir.

(b) This plant is being set up by the Madhya Pradesh State Industrial Development Corpn. Ltd. in the joint sector. It has been reported that following action has been taken towards implementation of the project:
